

Comhairle Contae Thiobraid Árann Thuaidh
North Tipperary County Council

This form must accompany all applications for County Council Annuity and Shared Ownership Loans.

All information will be treated in the strictest confidence.

Applying for a loan is a very important step and one which must be very carefully considered. While the County Council as a Housing Authority would encourage all those who can to provide suitable accommodation from their own resources, every effort must be made to establish an applicant's ability to repay any loan granted. To enable us to make an accurate assessment of your repayment ability you should complete the weekly income and spending list overleaf.

REMEMBER: Be realistic when completing this form. Don't kid yourself that things cost less than they do or that you don't spend money on things when really you do. The purchase or erection of a house involves a major financial commitment requiring substantial repayments week-in, week-out for 20 years or more. You must satisfy yourself and the Council that you can afford these repayments.

WARNING: Your home is at risk if you do not keep up payments on a mortgage or any other loan secured on it.
